UPDATE: MILFORD ROAD CLOSURE FOR CULVERT REPLACEMENT IN HIGHLAND TOWNSHIP PUSHED TO JUNE 29 DUE TO CONFLICTING MDOT PROJECT

Beverly Hills, MI – The Road Commission for Oakland County (RCOC) has pushed back the date for a one-day closure of Milford Road between Lone Tree Road and Rowe Road in Highland Township to remove and replace two culverts on Milford Road to Saturday, June 29.

In the case of inclement weather, the alternate date is Sunday, June 30.

During the Milford Road closure, the detour route will be Commerce Road to Hickory Ridge Road to Lone Tree Road and back to Milford Road and vice versa. Access to residential and business properties within the closure will be maintained throughout the project. The detour was modified due the Michigan Department of Transportation's ongoing work on M-59.

The first culvert to be replaced is south of Watkins Blvd., while the second culvert is north of Reid Road.

This project is scheduled during the weekend in order to prevent delays and minimize inconvenience. This section of Milford Road carries approximately 14,250 vehicles per day.
