#### **UPDATE: INTERSECTION IMPROVEMENT PROJECT AT CARROLL LAKE ROAD AND COOLEY LAKE ROAD IN WHITE LAKE AND COMMERCE TOWNSHIPS TO START JULY 15**

**Beverly Hills, MI** — The Road Commission for Oakland County (RCOC), in partnership with White Lake Township and Commerce Township, expects to begin the construction of a mini roundabout at the Carroll Lake Road and Cooley Lake Road intersection, on July 15 (original start date was July 12).

The start date was changed by the prime contractor for the project, Commerce Construction & Landscaping Inc., of Milford.

Construction is expected to be completed by Sept. 6. The approximately \$750,000 project will be funded by RCOC.

The project includes:

- Construct a mini roundabout at the intersection (smaller and simpler than a traditional roundabout -- see the compact/mini roundabouts page on the RCOC website: <https://www.rcocweb.org/519/Compact-Roundabouts>)
- Reconstruct and pave Carroll Lake Road and Cooley Lake Road approaches to the intersection
- Reconstruct driveway aprons within the project limits
- Minor storm-sewer improvements

During construction, the intersection will be closed to all traffic. The detour routes for this project are:

1. Union Lake Road to Wise Road to Bogie Lake Road, back to Cooley Lake Road and vice versa.
2. Oxbow Lake Road to Cedar Island Road to Round Lake Road, back to Cooley Lake Road and vice versa.
