#### **CONCRETE REPAIRS ON 12 MILE ROAD FROM M-5 TO WEST OF MEADOWBROOK RD IN NOVI WILL BEGIN TODAY**

**Beverly Hills, MI**— Motorists traveling through the 12 Mile Road/Meadowbrook Road intersection in Novi should expect delays this afternoon (Friday, Oct. 25) and tomorrow (Saturday, Oct. 26) as a contractor for the Road Commission for Oakland County (RCOC) completes concrete repairs.

The project encompasses 12 Mile Road from M-5 to west of Meadowbrook Road. During the work, the westbound right (outside) lane on 12 Mile will close to traffic. The inside lane will remain open to traffic on westbound 12 Mile Road.

Additionally, on Saturday, Oct. 26, traffic on Meadowbrook will not be able to travel straight through the intersection, but will have to turn onto 12 Mile Road, go the first turnaround, and head back to Meadowbrook to resume traveling on Meadowbrook.

The work is being done by Florence Cement of Shelby Township. For more information on the concrete repair program, visit: <http://www.rcocweb.org/419/Concrete-Slab-Replacement>

The entire project is expected to be complete in late November.
