### **CONCRETE REPAIRS ON GRAND RIVER AT WIXOM ROAD ON THE NOVI/WIXOM BORDER SCHEDULED TO START AUG. 3 WITH TURN RESTRICTIONS**

**Beverly Hills, MI** — The Road Commission for Oakland County (RCOC) expects to begin concrete repairs on Grand River Avenue at Wixom Road on the Novi/Wixom border beginning Aug. 3.

During the work, there will be lane restrictions on Grand River Avenue. Westbound Grand River Avenue traffic will be unable to make a left turn on to southbound Wixom Road. Additionally, eastbound Grand River Avenue will be unable to make a left turn onto northbound Wixom Road.

Motorists can expect traffic backups and should seek an alternate route if possible. The work is expected to be completed approximately mid-August.

This section of Grand River Avenue carries approximately 23,000 vehicles daily.

The work is being done by Cipparrone Contracting of Southfield. Information on concrete repairs can be found at: <http://rcocweb.org/419/Concrete-Slab-Replacement>.
