### **START OF CONSTRUCTION ON FLEMINGS LAKE AND WALTERS ROADS, BETWEEN CLARKSTON AND WALDON ROADS IN INDEPENDENCE TWP., DELAYED UNTIL JUNE 21**

**Beverly Hills, MI** – The Road Commission for Oakland County (RCOC) expects to close Flemings Lake and Walters roads between Clarkston and Waldon roads in Independence Township June 21 through late July, for a road-resurfacing project. The project was previously expected to start June 14; however, the contractor has delayed the start date.

Access to homes and businesses along Flemings Lake and Walters roads in the construction zones will be maintained throughout the work. The detour route for through traffic is Clarkston Road to Sashabaw Road to Waldon Road and vice versa.

The resurfacing work is funded mainly through an Independence Township road millage. The closure is necessary for the removal of the current pavement, grading/gravel work on the road's base and paving with asphalt.

The contractor for the project is Cadillac Asphalt of Farmington Hills. Flemings Lake Road carries approximately 3,650 vehicles daily. Walters Road carries approximately 2,770 vehicles daily.

For more information and a list of all roads to be improved through the Independence Township road millage, visit: <http://rcocweb.org/500/Independence-Township-Road-Improvement-M>.
