

## RCOC TO REPLACE CULVERT UNDER CASS LAKE ROAD IN SUMMER OF 2022

The Road Commission for Oakland County (RCOC), in partnership with Waterford Township, will replace the culvert that carries Cass Lake Road over the Cass Lake/Otter Lake Canal one-quarter-mile south of Cass Elizabeth Road in the township.

### **PROJECT DETAILS**

The project includes:

- Removal of the existing culvert under Cass Lake Road and replacement with a concrete culvert.
- Replacement of the guardrails in the vicinity of the culvert.
- Removal and replacement of 300 feet of asphalt pavement over and in the vicinity of the culvert.
- Replacement of the storm sewer in the vicinity of the culvert.

### **IMPACT ON TRAFFIC**

Cass Lake Road will be closed to through traffic between Cass Elizabeth Road and Orchard Lake Road during the project for approximately two months (starting in July 2022).

The detour route will be Cass Elizabeth Road to Cooley Lake Road to Hiller Road to Commerce Road to Orchard Lake Road and back to Cass Lake Road and vice versa.

### **SCHEDULE**

- Tree removal and utility relocation required for the project will take place during the winter. There will be intermittent single-lane closures during this work, with traffic directed by flaggers.
- Watermain relocation will begin in winter 2022 and will last two-to-four weeks (work being administered by Waterford Twp.). **The road will be closed during this work.**

Culvert replacement work will start in July 2022, with completion by late summer 2022.

### **PROJECT COST AND FUNDING**

The project will cost approximately \$730,000 and will be paid for by RCOC.
