#### **EXPECT LANE CLOSURES AT THE HAGGERTY RD/TEN MILE RD INTERSECTION ON THE NOVI/FARMINGTON HILLS BORDER, STARTING SEPT. 12**

**Beverly Hills, MI** — In partnership with the cities of Novi and Farmington Hills, the Road Commission for Oakland County (RCOC) will begin replacing asphalt with concrete at the Haggerty Road/Ten Mile Road intersection, on the border of the two cities, starting Monday, Sept. 12.

During the work, the intersection will remain open to traffic with lane closures and traffic shifts. The work is expected to last one month, with all lanes reopening to traffic approximately Oct. 12.

The work is part of a larger project, the major resurfacing of Ten Mile Road, Haggerty Road to Meadowbrook Road, with most work to be done in 2023.

The \$9.58 million project also includes the following work to be done in 2023:

- Milling (grinding off) existing road surface and repaving with asphalt
- Implementing safety improvements, including a continuous center left-turn lane; adding and extending selected right-turn and deceleration lanes; and widening the shoulders
- Repairing and replacing curbs and gutters
- Replacing the Francis Drain and Bishop Creek culverts under the road
- Upgrading the pedestrian crosswalks to comply with the Americans with Disabilities Act (ADA)

## HAGGERTY RD/MEADOWBROOK RD/PAGE 2 OF 2

- Upgrading traffic signals at 10 Mile Road/Meadowbrook Road and Ten Mile Road/Cranbrook Road intersections
- Adding an eight-foot-wide sidewalk along the south side of Ten Mile Road
- Watermain replacements

Additional work that will take place in 2022 includes tree removals (Oct. 1, 2022, through March 1, 2023).

The contractor for the project is Toebe Construction of Wixom.

This section of Ten Mile Road carries approximately 15,700 vehicles daily.
