DEVELOPER TO CLOSE CLARKSTON ROAD, ADAMS ROAD TO LAKE GEORGE ROAD IN OAKLAND TWP., FROM APRIL 10 THROUGH LATE JUNE

Beverly Hills, MI — The Road Commission for Oakland County (RCOC) has issued a permit allowing a private developer to close Clarkston Road between Adams Road and Lake George Road in Oakland Township to through traffic from Monday, April 10, through late June.

The closure is necessary for the contractor to pave the one-mile section of gravel road (Adams Road to Lake George Road) in conjunction with private development. Work on this section of road started in 2022.

Access to homes and businesses within the closed section of Clarkston Road will be maintained throughout construction. The detour during the closure is Adams Road to Stoney Creek Road to Lake George Road, back to Clarkston Road and vice versa.

Ajax Paving is the developer's contractor for the paving work.

This section of Clarkston Road carries approximately 1,240 vehicles per day.
