#### **DEVELOPER TO CLOSE NORTHBOUND LIVERNOIS RD., AUBURN RD. TO HAMLIN RD., IN ROCHESTER HILLS STARTING MONDAY, MAY 8**

**Beverly Hills, MI** — The Road Commission for Oakland County (RCOC) has issued a permit allowing a private developer to close northbound Livernois Road, Auburn Road to Hamlin Road, in the City of Rochester Hills. The developer is expected to close the road to northbound traffic on Monday, May 8, with the northbound closure remaining in place through late May.

The work was previously expected to start in April but was delayed by the developer.

The closure is necessary to accommodate the widening of Livernois Road at the approach to a new private development just north of Auburn Road. During the closure, access to businesses and residential property will be maintained.

Southbound Livernois Road will remain open to traffic. The detour for northbound Livernois traffic is Auburn Road to Crooks Road to Hamlin Road and back to Livernois Road.

East Edge Excavating is doing the work on behalf of the private developer. This section of northbound Livernois Road carries approximately 8,650 vehicles daily.
