RCOC TO MAKE THE ADAMS/GUNN RD INTERSECTION IN OAKLAND TWP A FOUR-WAY STOP; NEW SIGNS TO BE INSTALLED ON JULY 27

Beverly Hills, MI—The Road Commission for Oakland County (RCOC) will improve the safety of the Adams/Gunn Road intersection in Oakland Township by making it a four-way stop on Wednesday, July 27.

The intersection currently has stop signs at the Gunn Road approaches to the Adams Road. The following will be added to the intersection:

- Installation of new stop signs on Adams Road
- Sign flashers that will warn motorists of the new 4-way stop
- Stop Ahead signs installed on Adams and Gunn road intersection approaches

The intersection currently carries approximately 14,000 vehicles daily.

The RCOC has studied the intersection and determined the new signs are warranted based on the Michigan Manual of Uniform Traffic Control Devices (MMUTCD) which is a state manual that establishes standards for all traffic control devices installed on roads throughout Michigan.
