The project is expected to begin in July. During construction, the road will remain open to two-way traffic with lane restrictions until early August. Beginning approximately August 8, Adams Road will be closed for southbound traffic and have one-lane open for northbound traffic between Square Lake Road and the I-75 ramps.

The southbound Adams Road traffic detour will be Square Lake Road to Squirrel Road to South Blvd, back to Adams Road and vice versa. The southbound closure will remain in place until completion of the project which is expected in late October.
