

ROAD COMMISSION FOR OAKLAND COUNTY

SPECIAL PROVISION
FOR
WOOD POST REMOVAL

RCOC/DESIGN:KS/JO

PAGE 1 OF 1

RCOC20SP204D
ORG:02-14-21

a. Description

This work shall be done in accordance with section 204 of the *Michigan Department of Transportation 2020 Standard Specifications for Construction* except has herein provided.

The work covered by this section consists of the removal and disposal of existing wood posts, at locations shown on the plans and/or directed by the Engineer.

b. Materials

The existing Wood Posts consist of cedar wood approximately seven (7) inches in diameter and approximately seven (7) feet in length.

c. Construction

Remove Wood Posts in accordance with section 204.03.A.9. Holes created by removal of Wood Posts are to be backfilled in accordance with section 204.03.C.

d. Measurement and Payment

The completed work, as described, will be measured and paid for at the contract unit price using the following pay item:

| Pay Item | Pay Unit |
|---------------------|-----------------|
| Wood Post, Rem..... | Each |

The Engineer will mark all posts for removal.

Wood Post, Rem includes the cost of removing and proper disposal of posts and any attached hardware or appurtenances, in accordance with these contract documents, and the applicable MDOT specifications.

The cost of breaking down and removing, sawing, disposing of materials, and providing, placing, and compacting backfill shall be included in the unit price for the **Wood Post, Rem** pay item.

The Department will not make adjustments in price for handwork required to avoid damage to trees and vegetation designated to be saved.
