a. General

The Road Commission for Oakland County (RCOC) has transitioned from paper bid submissions to electronic bid submissions for road construction projects. The electronic bid service provider is www.Bidexpress.com.

b. Electronic Bidding

SUBMITTING A BID

The website, www.Bidexpress.com, is for the electronic submission of Bids for RCOC projects. Only contractors or vendors that have registered and obtained a digital ID from www.BidExpress.com will be able to submit an electronic bid. A digital ID may be obtained at no cost. However, it should be obtained in advance of submitting a bid as it may take several days to receive the digital ID. Submission of a bid to www.BidExpress.com, requires a pre-bid payment of \$50 per individual bid, or a monthly subscription of \$60 for unlimited bidding.

Bid information can be reviewed and downloaded free of charge by registering with www.Bidexpress.com. A digital ID is not needed to view or download materials.

VIEW and DOWNLOAD BID DOCUMENTS FOR REVIEW

Contractors and subcontractors can view and download bid information free of charge from Bid Express by registering as described above. A digital ID is not needed to view or download materials. If you are interested in bidding on this project, a digital ID and payment is required to submit a bid.
